Swimming Pool Available On Membership Basis

Facilities of the Holiday Hill Swimming Pool are being made available on a membership basis, it was announced this week.

Holiday Hill is located at 580 Beach Blvd., Waveland. The pool is 35-ft. by 72 ft., with artesian water, and surrounded by large shade trees. There are dressing and shower facilities available, making it ideal for the family, the owner said. The pool will be operated according to Mississippi Board of Health Regulations. There is also a large parking area off the Highway available for members. Mrs. Alice Gaudet, director of the pool, said.

The grand opening of the pool will be Friday, June 12. Membership will be carried on a monthly basis. The facilities of the pool will be available as follows: Tuesday and Thursday, 3 to 6 p.m.; Wednesday and Friday, 3 to 8:30 p.m.; Saturday and Sunday 9 to 11 a.m. and 3 to 6 p.m. A qualified Red Cross Lifeguard will be on duty at all times, insuring safety for all members, Mrs. Gaudet said. Private swimming instruction will be available for an additional fee.

UNIVERSITY ANNOUNCES 35 SUGAR BOWL SCHOLARSHIPS

The University of Mississippi announced the names of 35 Mississippi students who have been awarded 1953 Sugar Bowl Scholarships, which were established early this year from part of the University's share of proceeds from the 1953 New Orleans football classic. First on the list is James Warsaw, Bell III, who will graduate from Central High School of Jackson where he is a captain in ROTC. The awards pay \$100 per semester for two semesters. They are granted one semester at a time, but are automatically renewed for the second semester if grades are satisfactory.

MISSISSIPPI TOWNS PREPARING TO OBSERVE "HOSPITALITY MONTH"

From the Tennessee line to the new 26-mile stretch of sand beach along the Gulf Coast, Mississippi towns this June will participate in the "Hospitality Month" which is an important phase of the state's overall program to increase its tourist business.

More than 120 communities have responded to Governor White's invitation to take an active part in the marketing campaign which features a state-wide "Community Travel Development Contest," paint-up, clean-up, fix-up campaigns, beautification projects, erection of welcome signs, entertainment of out-of-state visitors and which culminates with the state-wide "Miss Hospitality" contest July 15-18th.

Miss Hospitality, Miss Suzanne Paul, is met by Mississippi officials as she arrives at the Mississippi Airport to be a guest queen at the Mississippi Aquanatalia in her official role as goodwill ambassador for Mississippi. "Miss Hospitality" is called upon to travel frequently both within and without the state to help sell its numerous attractions.

Tourists who last year spent an estimated \$265,000,000 within the state have repeatedly expressed through surveys their favorable impressions of the courteous, hospitable treatment they have received at the hands of their Mississippi hosts.

In his proclamation calling on all Mississippians to join in the observance, Governor White called attention to the fact that this inborn Mississippi trait must be recognized by all as one of our most valuable tourist assets and its practice encouraged in furthering the continuance of the state's program to develop the tourist industry.

Inaugurated in 1948 to increase tourist interest in the importance of tourist business, the "Hospitality Month" and "Community Travel Development" program developed into the state's number one annual observance.

Designed to emphasize the community's role in the development of tourist traffic, the 1953 program is featuring the second annual "Community Travel Development Contest" which last year attracted a total of 21 towns on the Gulf Coast.

Any Mississippi town that is open and complete with a Governor's Trophy and the other awards to be made by the state committee. Covering a period from January 1st through July 15th, the committee will be looking for the most hospitable and complete town in the state.

Following an afternoon and night of entertainment in the Capital City, the prize will be taken by special bus for the Gulf Coast where it will be judged for two days prior to the state-wide celebration ceremony at Biloxi on the night of July 18th.

Winners are first selected after elimination contest in their own communities after which they become official "Miss Hospitality" for their hometown. Judging is based on beauty, price, personality, and other factors. After the contest is over, they are eligible to receive a number of prizes.

SAFETY

Don't spend the summer in the hospital recovering from a preventable accident. Sometimes, accident victims fail to recover at all. Don't take chances with farm machinery. Stop the machine before working on it. Turn off motor before refueling. Make sure you have grounded before putting fuel in the tank.

Don't wear loose, floppy clothing when working around machinery. Belts, chains and other moving parts tend to catch loose clothing.

INSECT CONTROL

Horn flies cost the farmer money. Don't give them your livestock profits. They will reduce milk production as much as 25 per cent on heavily infested cows, and reduce beef gain by at least one half pound a day.

Control these by spraying animals with DDT, toxaphene, or methoxychlor. Ask your County Agent for a free copy of Extension Publication 215, "Control Cattle Pests." It contains all necessary information on controlling these and other cattle insects.

GARDENING

Mulching your long season vegetable crops will make for higher production and less work. A mulch holds moisture in the soil, helps keep down weeds and weeds.

Mulch adds organic matter to the soil, helps prevent erosion by break-

The marriage was solemnized at Gallop's Memorial Methodist Church Sunday afternoon at four o'clock.

Miss Clark is the daughter of the Rev. and Mrs. C. C. Clark of Jackson and was born in Bay St. Louis, where the Clark family, who are former residents, have many friends.

Lt. Ratcliffe is a native of Mobile, Ala., presently is stationed in Omaha, Neb.

Birthday Party

Mr. and Mrs. Walter Rauch entertained for their young daughter, Kip, on the occasion of her 9th birthday with a party at their home on Hickory Lane. About thirty little guests enjoyed the party.

Flora decorated the party room of the home in honor of Flag Day, and the table and that were the colors of the stars. A beautiful birthday cake, trimmed in the red, white and blue colors, was enjoyed by the children, along with ice cream and refreshments. Games were played and a wonderful afternoon of fun for all present.

Birthday Party

John Griffin, eldest son of Dr. and Mrs. John Griffin, celebrated his 13th birthday Tuesday.

His friends gathered about 10:30 a. m. at the home of his mother, Mrs. John Griffin, for a birthday party. The party was a very successful one and was enjoyed by all present.

A BIG LIFT TO EVERYDAY LIVING

Mississippi's telephone service has reached an all-time high of usefulness—as a time-saver in emergencies, and in helping busy men and women do more with less time and effort.

Today, there are over 250,000 telephones in the state, or more than twice as many as the 115,876 we had at the end of 1943.

Cost of new telephone construction being at an all time high, too, those 7 years of expansion cost over 72 million dollars or nearly three times as much as our investment in Mississippi at the end of our first 64 years in business here.

pure a two-point program:
1. A support price by the Government.
2. Protection of this domestic industry from the flooding of the market, with the resultant depression in prices, by foreign imports.
Due to the obvious fact that the production of tung is confined to such a limited area and therefore does not have much political appeal to the Congress and the Government generally, it has been a hard up-hill fight. However, in 1949 we succeeded after a very hard fight in securing Congressional approval, over the opposition of the Department of Agriculture, for a support price. Thanks to this action the farmers are assured of the production of 2.5 cents per pound for the tung production.
But without Governmental action in controlling the imports of Chinese and Argentine oil it is doubtful whether we could maintain a support price indefinitely.

LOCAL LEB/ON POST
WINS MEMBERSHIP CUP
The Clement R. Bontemps Post 139, of Bay St. Louis, has received a cup for the greatest proportionate increase in membership in the Seventeenth District, composed of Coastal and adjoining counties. The earning of this award proves that the aggressive, energetic activity of the Local Post is being noticed in the state as well as in the community.
Commenting on the award, a legion official said: "Membership is needed to form any organization, but active membership is needed to make it a forceful part of the community. Our membership has a very high proportionate percentage of the eligible veterans in the county. Never before in the history of the local post has it enjoyed such a high percentage of active members."
"The American Legion in Hancock County is a vital part of the Community. The Legion is not content to sit on its laurels. The legion intends to forge ahead in veteran affairs and all affairs that lead toward a better city, county and state. Opponents of clean government will find the American Legion in the front lines fighting for clean government."
The American Legion invites opinion and ideas for a better Legion and community from its members and all citizens of the community, it was added.

"Rocket 8"!

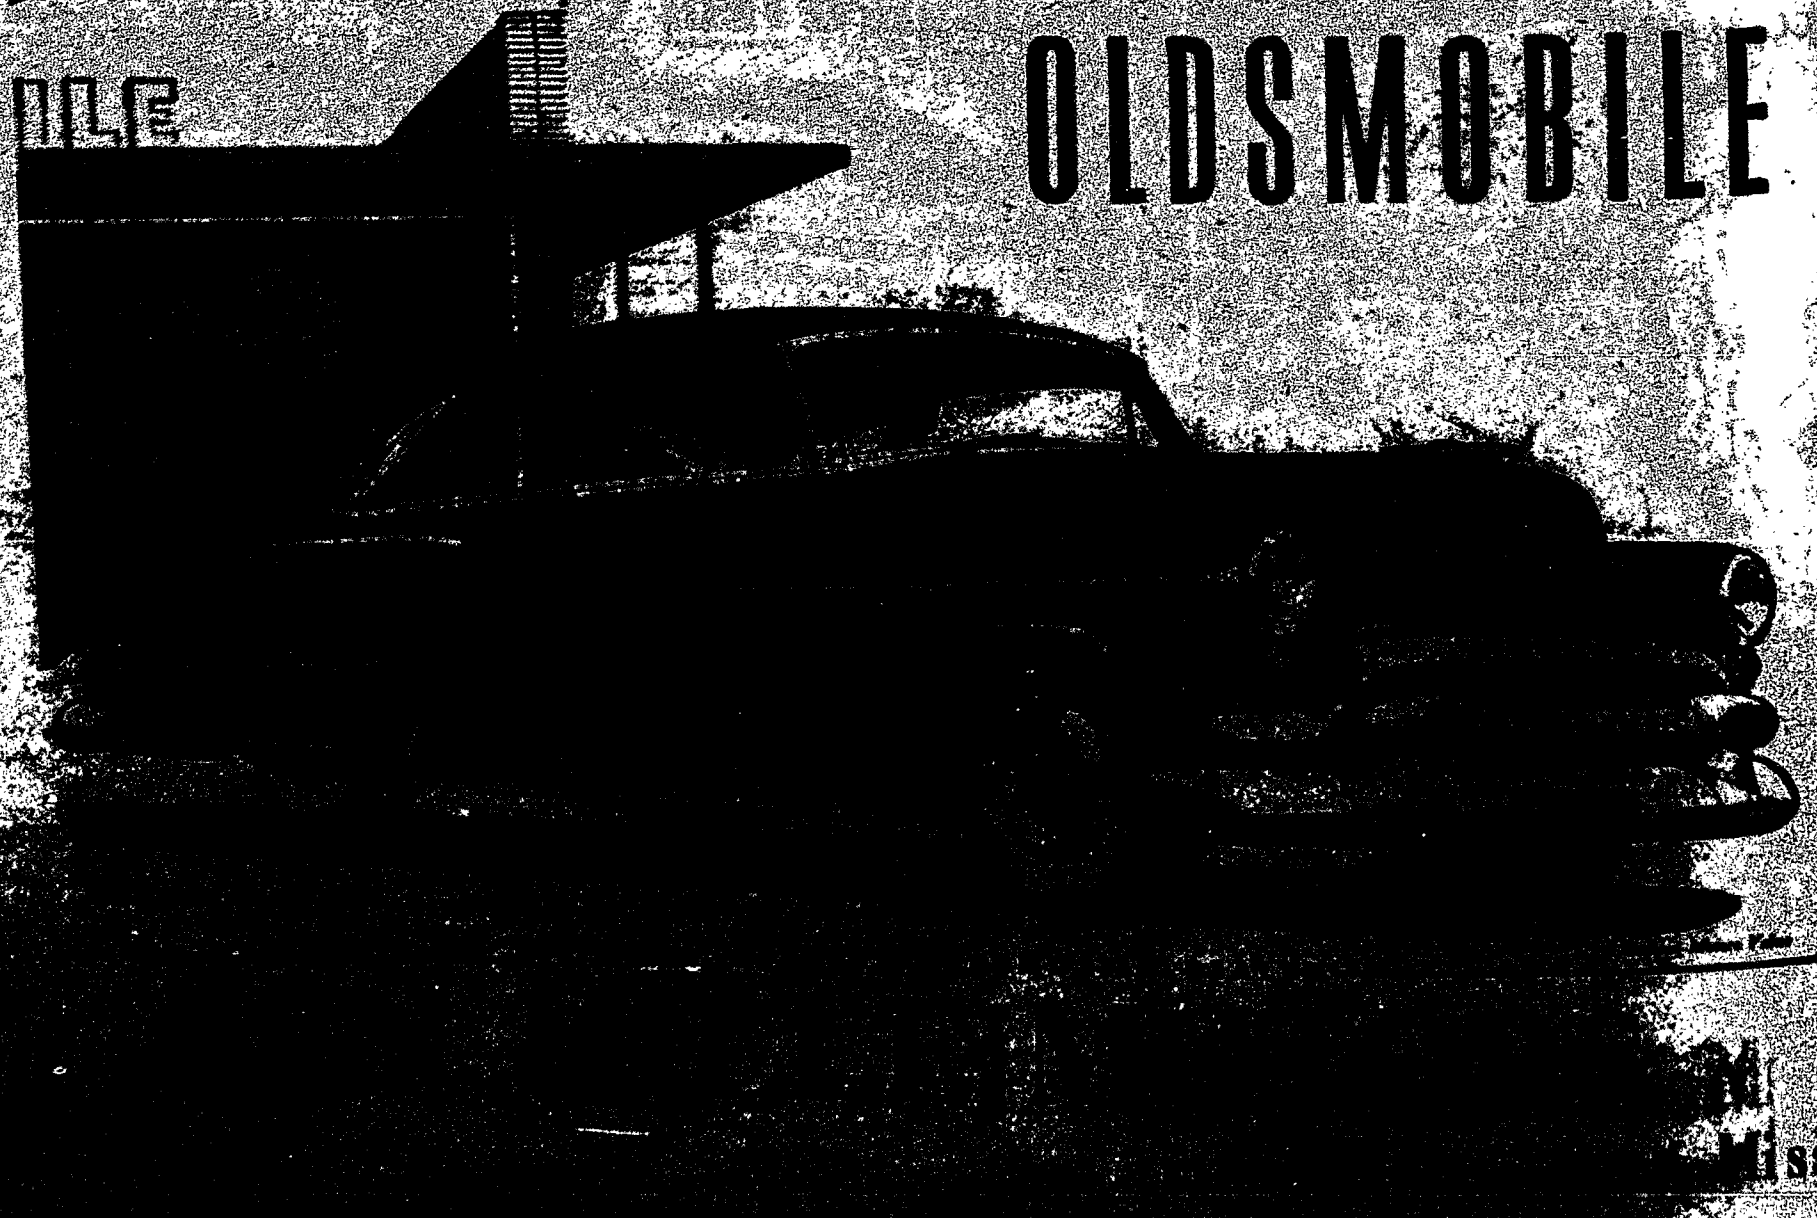

DRIVE IT YOURSELF!

You want a car you'll feel happy with—one that performs for a week, another every day's work. We believe Oldsmobile's the answer. That's why we're launching the special "Double-Date" campaign—inviting you to come in and drive the Super "88" or Classic Ninety-Eight regular. See for yourself how the "Rocket" Eighty takes the straight-away, how Hydra-Matic's Super Range levels the hills, how the Power-Kide Classic seems to run on the roughest roads. Then...

LET HER DRIVE IT TOO!

You'll know that Oldsmobile has a double appeal—to men and women alike. She's probably told you already how she loves Oldsmobile's long, sweeping lines and luxurious Custom Lounge interior. But at the wheel she'll discover that this big, powerful car is as obedient to her touch as to yours—with Power Steering and Power Brakes taking the work out of driving. Come in together. Discover the double appeal of Oldsmobile.

Chrysler Shipments Ahead

Shipments of Chrysler cars for the first five months of 1953 are 49 per cent ahead of the same period last year—an all-time record, reports A. C. Quinn, president, Chrysler Division.

Shipments of new 1953 Chryslers from January 1 through May for the Detroit and Los Angeles plants combined reached a total of 79,002 cars, Quinn said. "This is an increase of 10 per cent over the same period last year when 53,044 cars were shipped. The previous high for the period was set in 1951."

During May, Quinn reported, Chrysler Division set another record with shipments for the month amounting to 15,998 cars. This is a 31.5 per cent increase over May of last year.

"This year should result in an increase of 10 per cent over 1952," Quinn said.

"We feel that our excellent sales volume is due to the combination of Chrysler-developed features offered this year, including the V-6 Firstpower, along with homopropeller cooling, chamber, full-time power steering, power brakes and the efficient done by our 3,500 dealers in demonstrating these cars to the public."

Quinn said that so far the Chrysler has shipped slightly more 50 per cent more engine models than New York, New York Dealers Association and Chrysler Institute.

NEW AAF HEAD TO ADDRESS LEGION CONVENTION AT BILOXI

Senator John C. Stennis today advised the American Legion Department Adjutant Frank Chambers that General Nathan F. Twining, new Chief of the Army Air Force, has accepted an invitation to address the Legion Convention at Biloxi in July.

"The Legionnaires of Mississippi certainly are indebted to Senator Stennis

General Twining will succeed General Hoyt Vandenberg as Chief of the Army Air Force around August 1. The General will address the American Legion convention at 11:00 a.m. on July 7, at the Buena Vista Hotel in Elmont, and the public is cordially invited to attend this session of the Convention. General Twining is expected to review the troops at Foster Air Base during his

The public is also invited to attend the Convention on Monday, July 6, at 11:00 a.m. to hear National Legion Commander Lewis K. Gough address the Convention.

Gov. White's Colonels To Participate At Biloxi "Miss Hospitality" Finals

The annual party for the staff of Governor Hugh White's colonels will

be held on the Mississippi Golf Course on July 17-19 and will coincide with the annual "Miss Hospitality" contest, Cecil Travis of Jackson, chair staff, announced today.

Committees are now being formed to complete details for the annual gathering. Travis said, and letters will soon go out to the 475 members of the staff, inviting them and their families to attend the party.

The tentative program includes a seafood barbecue and buffet, held at the Bioma Vista Hotel Friday, July 17. Saturday program will include a tour of Keesler Field, fish-

On Saturday night, the colonels and their wives will attend a dinner given at the Buenos Aires before the departure ceremonies for the "Hernandez" women in the Maricao National Park. The colonels will serve as official escorts for the young ladies participating in the contest.

A reception will follow these scenes and immediately after the colonels will play host at a "Mimosa" society reception held at the El Vero.
